PROBABLE CAUSE STATEMENT

On June 20, 2007, the defendant identified as "**Eder PEDROTTI-Juarez**" was arrested by Officer F. Dragula of the San Diego Police Department for various State violations and booked into county jail. While in the custody of county jail, an Immigration Enforcement Agent determined the defendant to be a citizen of Mexico and placed an Immigration Detainer pending his release from county jail.

On Monday, March 10, 2008, the defendant was referred to the custody of Immigration and Customs Enforcement (ICE). A Deportation Officer conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico, who has been deported or removed from the United States.

A thorough review of immigration computer database checks revealed the defendant was most recently ordered removed from the United States by an Immigration Judge on or about November 4, 2003, and most recently removed to Mexico on or about November 4, 2003 via the Otay Mesa, California Port of Entry. Further records indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System (IDENT) and Automated Fingerprint identification System (IAFIS) were utilized and compared with the defendant's fingerprints. The results confirmed the defendant's identity as Eder PEDROTTI-Juarez, a citizen and national of Mexico previously removed from the United States to Mexico. A photograph and a set of fingerprints were also obtained from the Alien Registration File, which further confirmed the defendant's identity.
